

Attachment III.1: SOLICITATION HSHQDC-17-Q-00179 Q&A

No.	Vendor Question:	Answer:
Q1.	Is it permitted to contact the Technical POC to clarify the Statement of Work before the response date	<i>A1. No. All questions or requests for clarifications should be directed to the attention of the Contract Specialist (CS) and Contracting Officer (CO) listed in the Statement of Work (SOW).</i>
Q2.	The RFP mentions "Attachment III.1" in the section: I.5 HSAR Clauses Included in Full Text. 3052.209-70 Prohibition on Contracts with Corporate Expatriates (JUN 2006). Note: Paragraph (f) to be completed at award based on submission of completed Attachment III.1., but I am unable to find this Amendment III.1 in any of the documents provided.	<i>A2. The following paragraph in the Statement of Work (SOW) is being changed from: “Note: Paragraph (f) to be completed at award based on submission of completed Attachment III.1” to “Note: Paragraph (f) to be completed at award based on submission of completed Attachment II”.</i>
Q3.	My company is planning on responding to the RFQ for Solicitation HSHQDC-17-Q-00179 - 2017 Cyber Security R&D Showcase and Technical Workshop – Video Production. Can you please confirm that all the government is looking for from us in response is a price and completed attachments in the RFP?	<i>A3. Please provide your quote and completed “Attachment II. Video Production Checklist” as requested in the solicitation’s instructions.</i>
Q4.	I did not find any evaluation criteria or statement of requirements for a technical proposal. Is completing Attachment II sufficient?	<i>A4. Please provide your quote and completed “Attachment II. Video Production Checklist” as requested in the solicitation’s instructions.</i>
Q5.	Task 2.1 - Can you please explain what the purpose and what is expected to occur with the video production set-up, testing and dry runs on May 16?	<i>A5. The Government has provided additional time for video production teams to set-up and conduct test/dry runs, prior to the scheduled interview start time of 9am. The utilization of this time is at the vendor’s discretion.</i>
